CONSENT of the processing and registration of personal data under the Act no. 101/2000, as amended, and consent to the use of birth number under the Act no. 133/2000, as amended:

I agree that Water Polo Sparta Praha, registered at Schöfflerova street 2050/32, 130 00 Prague 3, ID no.: 068 33 535, registered in the federal register kept by the Municipal Court in Prague under file no. L 69900 (hereinafter 'the club'), processed and recorded my personal data provided to it in connection with my membership and activities in the water polo sports club. This consent also expressly applies to my personal identification number, and the ID number for the purpose of maintaining membership records and identifying athletes in competitions.

Furthermore, I agree that the club is authorized to register and provide such personal data, including personal identification number, to the central records of the relevant sports association and at the same time ČUS District Association and subsequently VUS ČUS to keep records of membership in ČUS according to ČUS guidelines and to identify athletes in competitions. I also agree that the club is entitled to disclose information about me to the necessary extent to state and local authorities, especially in connection with applications for grants from public budgets.

The club is entitled to process and register personal data, including the birth number, even after termination of my membership in the club. I declare that I have been properly informed of all facts according to pursuant of Section 11 of Act No. 101/2000 Coll., as amended, as stated in the Personal Data Processing Information.

**I agree to have my form captured at events related to the club's activities so that it is possible to determine my identity – in the form of photographs, video recordings, etc. By submitting the application, the applicant for membership in the Water Polo Sparta Praha, z.s. expresses its consent to its statutes and applicable internal regulations which applicant became acquainted with prior to filing the application.**
